FIELDBOOK PRESENTATION OF SUBDIVISIONS BY EARLY ISSUE OF TITLE PROCEDURES

EXAMPLES OF PREFERRED PRACTICE

A new booklet has recently been prepared as an addendum to the Land Titles Survey and Plan Practice Manual. Its aim is to assist surveyors to maintain a consistent and comprehensive standard of presentation for surveys carried out under General Regulations 55A to 55F (Early Preparation of Certificate of Title).

As the content of this booklet will not be relevant to all purchasers of the Manual, it is being made available free of charge to practising surveyors who specifically request a copy. If you would like to receive one (or more) of these booklets, please make an application (example below) in one of the following ways:

1. Telephone the Inspecting Surveyors on (08) 9273 7424
2. Send a facsimile request to them on (08) 9273 7669,
3. E-mail a request to murray_dolling@dola.wa.gov.au, or
